**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition, and I chose Sonic because they care if I'm connected to the Internet. AT&T did not.

Anytime I've had a problem, Sonic has stepped up to the plate to solve it, while AT&T did as little as possible or even obstructed their efforts.

We already pay a premium for service due to the lack of competition. Diane Feinstein and other powerful politicians have always supported AT&T over any other company, while Sonic beats their service hands down.

Sonic offers me great telephone service, as well, and allows me to call friends abroad free of charge.

Respectfully,

Mary Matthews
